

Date: _____

To Whom It May Concern,

Caribbean Robotics Academy hereby confirms that mentors of teams qualified to the VEX Robotics World Championship will be participating in the official practice sessions of the Puerto Rico Robotics Delegation in preparation for the upcoming event. These training sessions are a crucial part of the students' development as they represent Puerto Rico in this prestigious competition.

Our mentors will be actively involved in guiding the students, providing technical and strategic support to enhance their preparation. Their participation is essential to ensuring the team is well-equipped for competition.

Please find the schedule below.

Date	Time	Location

Our mentors will be present and engaged throughout these sessions, contributing to the success of the delegation.

We appreciate your support of STEM education and robotics in Puerto Rico. If you require any additional information, please do not hesitate to contact us.

Sincerely,

Pedro Alvarado Rentas
CEO-Caribbean Robotics Academy
